Carla serves as a conference host and radio personality of *The Carla Cannon Show!* Carla is committed to not only empowering others but also equipping them with the necessary tools they need to be successful and live out their life's purpose!

Carla is also the Founder of the Women of Standard Network (which includes Women of Standard Magazine) where professional women meet, build & expand together. Carla is extremely passionate about women coming together with one common goal & that is to up-build the Kingdom of God and to do so in a spirit of excellence.

Here is what Carla said in a most recent interview, *"Beyond all of the great works the Lord has set before me and allowed me to partake in, I am simply a woman after God's own heart. In everything I do my number one focus is to spread the love of Jesus because without the love of God none of this would be possible for my life and I'd have nothing to share with others. I like to consider myself as the female version of David. No matter how bad I messed up I still had a heart, hunger and severe appetite for the things of God and my goal is to spread this message of hope to the nations and do so unapologetically! Therefore, in spite of the many books I write, products I create & events I host, I am simply a woman who is madly in love with Jesus and my mission is to make Him famous!"*
